## ~Ginger's Snap~

This past weekend, Jennie and I got to spend some very precious time with our friends. She was able to witness the wonderful marriage union between two long time friends and newcomers to Marshall, Deb and Rob, owners of Central Perks. Meanwhile I took two of my closest friends, Amy and Linda to the Los Pinos Winery "Taste of East Texas" annual Wine Fest. No doubt, we laughed so hard and cut-up all day long. Even though we were at two different places, Jennie and I were reminded of what the value of true friendship means. As I'm sure you all are aware, those precious moments of togetherness create memories that live on for a lifetime.

Congratulations Deb and Rob – We wish you the best!

Thank you to all our friends, we couldn't have done it without you!

A special note: Under the Texas Sun just received the honor of getting The Chamber of Commerce runner-up Best Small Business award.

Ginger and I just want to say THANK YOU MARSHALL and all of our visiting friends for making our dream a reality. We're having a blast and hope you are too!

Cheers!  
Jennie and Ginger
